Revue minière du Québec **QUEBEC** Mining REVIEW

DEL Communications Inc, publishers of the *Northern Prospector*, *Manitoba Mining Review*, *North of 60*, *Potash Works* and more, are pleased to announce the next edition of the *Quebec Mining Review* print magazine.

The *Quebec Mining Review* highlights mineral exploration and development throughout Quebec and is published in both English and French. The annual publication carries stories on mining activity, government and educational programs and an in-depth look at the latest mining products and technologies.

This issue of the *Quebec Mining Review* will be published in the fall and will be distributed free-of-charge to all companies with an interest in mining and exploration in Quebec. The magazine is also distributed at PDAC, Round-Up and more mining shows around Quebec and the rest of Canada.
